2022/23 Internal Audit Report for Bledlow-cum-Saunderton Parish Council

From Jane Olds – Internal Auditor

I reviewed the documents provided and met with the Clerk, Tracey Martin, on 24 March via Zoom and finalised the information on 17 April.

BASIS OF REPORT

This internal audit report is based upon the JPAG (Joint Panel on Accountability and Governance) Governance and Accountability for Smaller Authorities in England 2022 publication.

The scope of this internal audit is focused on assessing the effectiveness of the Council's internal controls and was outlined in the original Letter of Engagement. Where any such controls are found to be deficient, the internal audit will help lead to improvement in those processes.

By applying the principles of internal auditing, outlined in the current Accounts and Audit Regulations and applying the approach to internal audit testing outlined above, every effort is made to ensure that all internal audits are conducted with due professional care, integrity and independence. All conclusions derived from the audit are based upon objective and traceable evidence.

Please note: it would be incorrect to view internal audit as the detailed inspection of all records and transactions of the Council in order to detect error or fraud. It is the periodic independent review of a Council's internal controls resulting in an assurance report designed to improve effectiveness and efficiency of the activities and operating procedures under the Council's control. Managing the Council's internal controls should be a day-to-day function of the staff and Councillors and not left for internal audit. Further Recommendations:

Following the completion of the Internal Audit, the Council should undertake a review of effectiveness as per Regulation 6 of the Accounts and Audit Regulations 2015. A blank form can be supplied.

Training

The Clerk and the Councillors should be encouraged to take up the training offered by the local County Association and SLCC to increase their knowledge and expand the Clerk's professional development. I recommend including a regular agenda item and budget for training.

Internal Financial Control Responsibility

As mentioned above, the Council should be congratulated on having a Councillor Responsible for Internal Financial Control. It is good practice for the Councillor to change to a different Councillor every two years.

A checklist for the Councillor to complete to give a guide on what should be checked could be adopted.

Banking

While the NS&I Account has limited funds, the Council should make all efforts possible to obtain access to the account.

Investment Strategy

As the Council has investments of more than £100k, it is recommended that an Investment Strategy is adopted. See the Practitioners' Guide / JPAG sections 1.11, 4.20 and 5.28 for more information.

Cyber Security

With instances of cyber crime and attacks on councils increasing, I recommend ensuring that passwords are strong and that online security is in place. Not only should there be a backup of data to the cloud, but also a monthly backup to a removable hard drive to ensure that if the cloud data is corrupted or held to ransom, there is a reasonably recent backup which can be re-installed.

Conclusion

The above are recommendations to help the Council improve its processes and in no way detract from the work it, and the Clerk, has already done.

I have noted that many of the actions which I recommended last year have been completed; the Clerk and Council should be commended for this.

Bledlow-cum-Saunderton Parish Council has an electorate in the region of 2074 and the Precept for the year 22/23 was set at £20,132.66.

In general, I believe that the Council has competent arrangements in place to satisfy itself that its systems of internal financial control are transparent and effective. There are approval and authorisation controls to minimise risk. The audit and management trail for financial transactions is good.

This report should be noted and taken to the next meeting of the Council for minuting to inform them of the Internal Audit work carried out.

I hope that this report is of help to the Council. If you would like any further assistance or clarification, please do contact me.
